The final photographs

New Mexico Enchanted Photo is a "Digital" photography company. We use only the top of the line Canon® equipment and the finest digital production company to produce your pictures. All photographs are supplied on digital media and viewable on either home computers or DVD systems.

Your pictures will also be uploaded to our website so your friends and family can view and order prints too at no additional cost.

Timeframe

Photographs are typically ready within four to six weeks. Orders placed from our web site are ready and delivered in about 3 weeks. Additional services may add time to the delivery of the finished order.

Payment

A \$50 non-refundable deposit is required upon booking of the wedding.

The balance is due on or before the wedding date. Payment can be made by cash, checks or money orders. Credit card payments can be made using [PayPal](#) for an additional 3%.

*All charges are subject to New Mexico State Tax
 ** Additional hours billed out at \$55 per half hour
